Glass

The Glass sign system is an elegant and versatile graphic solution. With its timeless appearance the system is especially suited for modern architectural interiors, hotels and conference centers.

Shapes

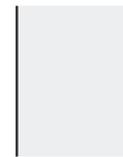

There is a variety of types and sizes to make sure that you will find one that fit your needs, whether you need desk signs, wall signs, flag signs or suspended signs.

Materials

Tempered safety glass with polished edges and flat head stainless steel holders with satin finish.

Text and graphics

Text and graphics can be displayed either permanently through applied vinyl or interchangeably with acrylic sheets that you print locally. The signs can also be ordered with frosted vinyl for an etched glass effect.
